CCBC & NC Fees

Membership with Cross Country BC (CCBC) and Nordiq Canada (NC) is mandatory for nordic skiers across Canada. To ensure that the CCBC / NC fees are only paid once per year, each skier's name as entered on the *Zone4 SDP registration* site must ***exactly match*** their name as entered on the *Zone4 Black Jack Ski Club Membership* registration site. Allow 24 hours between SDP and Black Jack Ski Club registrations to ensure that the CCBC/NC membership data is applied within Zone 4. Completing both registrations in less than 24 hours may result in CCBC/NC membership fees being applied twice.

Black Jack Ski Club Membership

The *Zone4 Black Jack Membership registration* site will be available in the fall. All SDP skiers are required to be Black Jack Ski Club members.
